

Desktop:

The screenshot shows a Windows desktop environment with a browser window open to a travel guide for Vienna. The browser's address bar shows the URL <https://8000-beige-mockingbird-zd2jcek.ws-eu03.gitpod.io/#section-3>. The page content includes a large image of the Vienna skyline and Hofburg Palace, followed by a section titled "Visiting Vienna for the first time?" with the subtitle "A city full of the finer things in life, from palaces to pastries..". Below this, there is a "Visit" section with the heading "Walking around Vienna is a feast for the eyes!" and a paragraph of text about Vienna's architecture and opera house. At the bottom of the page, there are three buttons: "Sleep", "Eat", and "See". The taskbar at the bottom of the screen shows various pinned icons and the date/time as 12:05 24-4-2021.
